Unity Stands Out

The 1973 Blackhawk Football Team had the largest turnout in history. Unity is what stands out in the minds of the participating players this season. The team had ability, plenty of individual potential and the desire to win was always there. They gained valuable experience that should make next year a winning one.

Support from the student body and the general public was appreciated throughout the year by coaches and players. Coach Grambo and his staff are looking forward to leading the Blackhawks back to the gridiron prominence in 1974

This years spirited Homecoming Week began with coronation of royalty Tuesday night. Entertainment was provided by the Concert Choir, Die Meistersingers, and the Ambassadors.

Seniors won the powder puff game Thursday night. Following the game was a car rally and a pep assembly.

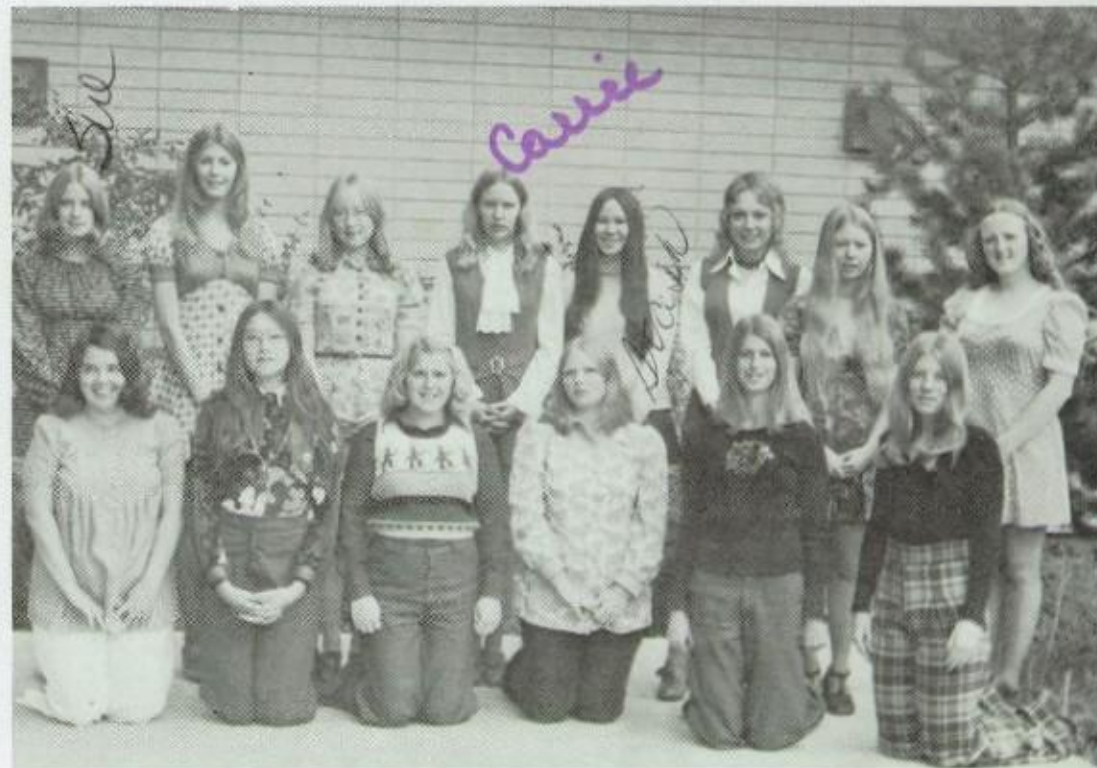

Friday night we hosted the West Valley Eagles. Bridgewater provided music for the dance titled "Dancing In The Moonlight."

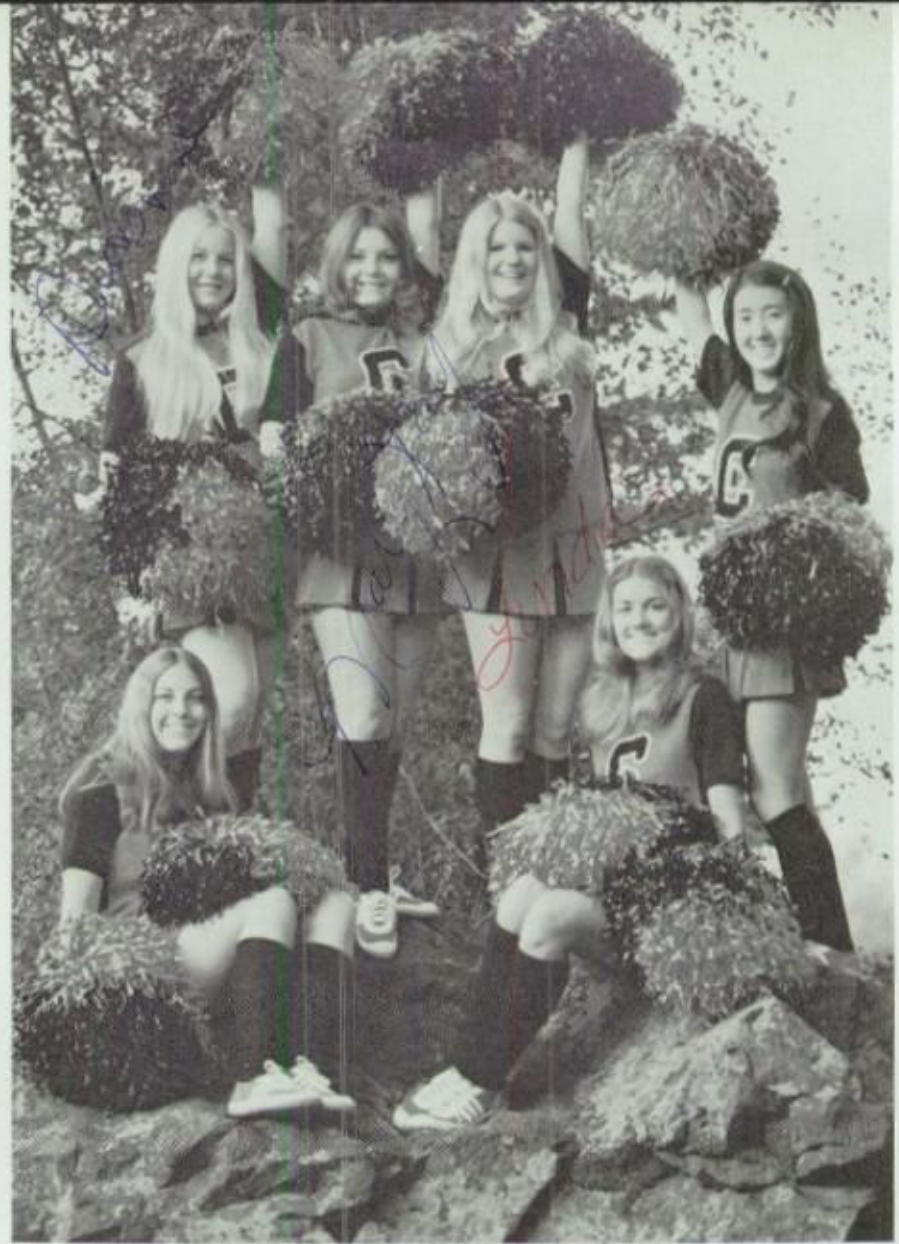

To promote spirit there was class competition at noon all week. Activities included a tug of war, pie eating contests, bike races, powder puff pep rally, and snake dances. The activities concluded with a pep rally where the Freshman class was awarded the spirit plaque.

A victory, a defeat, excitement, agony, pride, and the joy of knowing that Cheney's No. 1. These feelings were shared within the Varsity Cheerleading Squad and the fans. The extensive hours of practice are all worthwhile when there is a winning team, spirited fans, and appreciation.

Just like sisters, at camp, games all year being close, being together... representing Cheney High.

Both Randy Rueppel and Vic Jones finished up the Frontier League season with a 6-0 undefeated mark. Vic ended up undefeated throughout the entire regular season. This year marked the first year since becoming an AA school that Cheney had captured the League title, and also the first year to win the Frontier League Title. The Blackhawk wrestlers were cheered on by the largest crowd ever to watch a Blackhawk match. The mat swarmed with jubilant fans soon after Randy Rueppel had been declared the winner over his West Valley foe. The Blackhawks were helped out this year by many outstanding seniors who will be missed very much next year.

The Hawkettes began their year with a new advisor, Mrs. Brenda Towles. With their new class, the girls have had more time to grow into a better organization. To raise money for the uniforms they purchased, they sold first aid kits. Due to the lack of time, they had few performances but hope to perform more next year.

This years Concert Choir is a much more refined group because of their selection from the Boys and Girls Choirs. Performing more this year than in previous years, the Concert Choir has become known as one of CHS's finest choirs. Homecoming and the "All Choral Concert" were two of their bigger performances.

Starting the year off in style, Cheney's finest choral choir selected an entirely new name.

Die Meistersingers have been very active with their many performances this year. One of the most important events, the "Vivaldi" concert, featured for the first time at CHS, the Spokane Symphony Orchestra.

The choir tour to Seattle this spring was the highlight of the year, as the choir had worked hard raising money for this event.

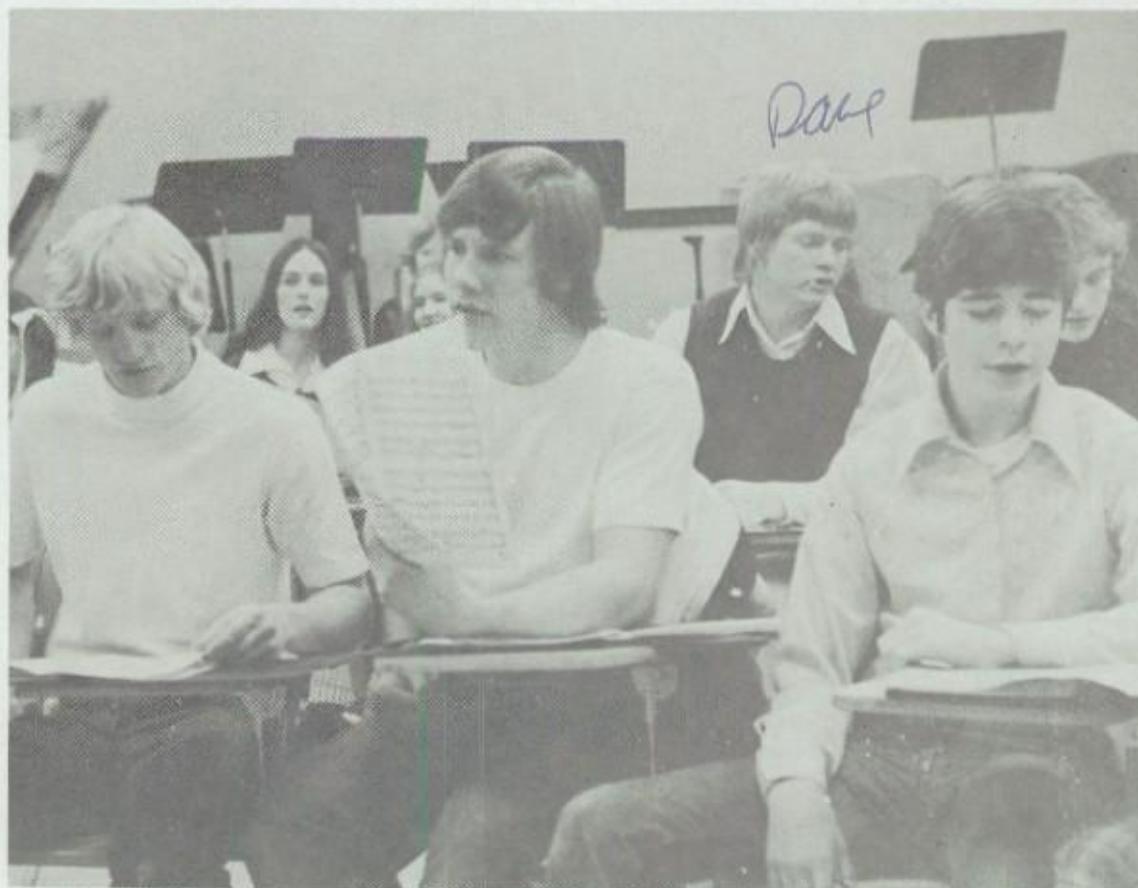

Die Meistersingers well deserved and earned their title "The Master Singers."

Eight section leaders, as well as the choir officers composed the Choir Council. They were the organizers for all of the money-raising projects for Die Meistersingers choir tour. The Spagetti Feed and the "All Choral Concert" in February were their main projects.

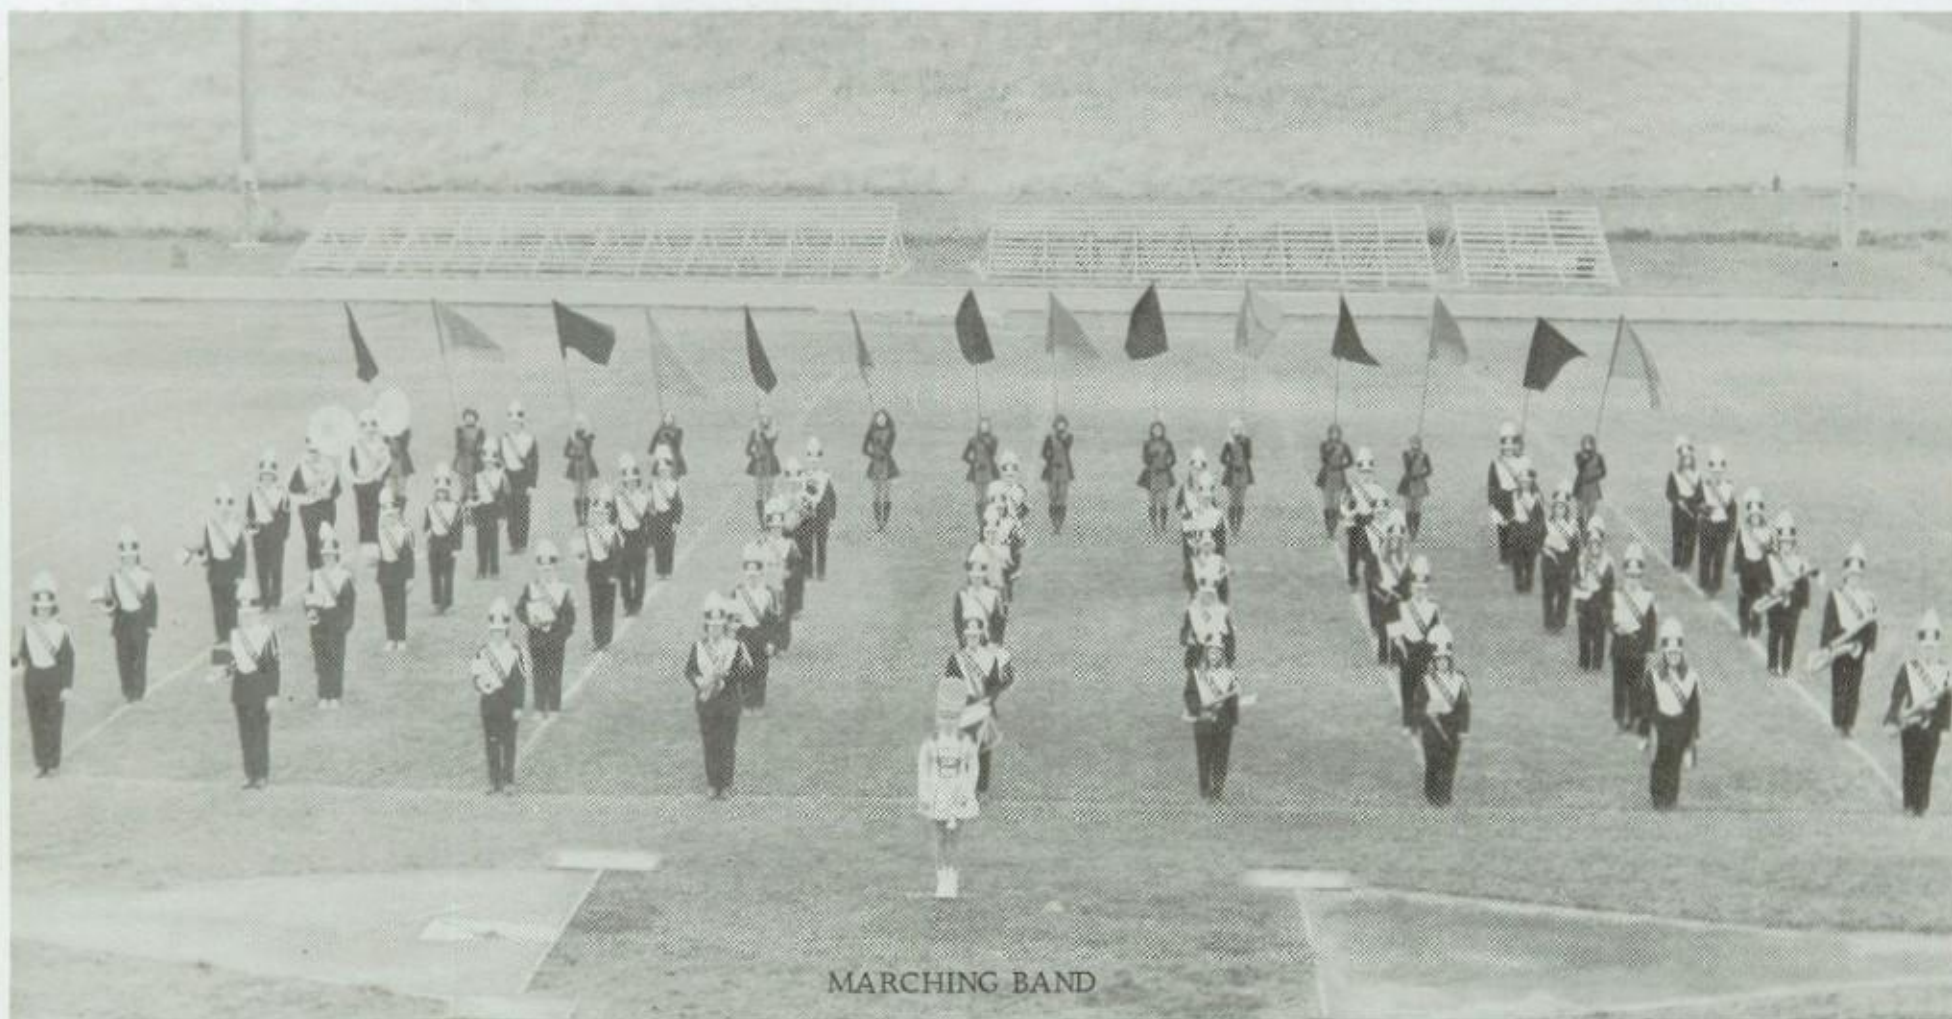

Working closely with Mr. Mikelson, the Executive Board members: Marc Andrews-President, Becky Theissen-Vice-President, and Ann Hagie-Secretary, coordinated all the various activities during the tour.

A busy man musically this year as advisor and director of four different choirs and the Ambassadors, Mr. Mikelson was called upon to use his many talents. The result was a highly successful year, being both entertaining for the community and a learning experience for the participants. Due to his efforts, this year will long be remembered as CHS's finest.

The Bands have a busy year.....

To start the year off, Marching Band-consisting of any one that wanted to be in it, performed at all the home games doing a Pre-game and Half-time show. Something new in Marching Band, was Flag Girls from the band, adding color to the formations.

For second quarter a big change came about. The band which was Concert Band last year split. From this split a new band was formed, Wind Ensemble, for the more experienced musicians and Concert Band for others. These bands met daily and worked hard in preparing concerts.

Pep Band was next supporting the Basketball team in music as well as in cheers that kept the crowds roaring. They also took several trips to away basketball games.

Another of the band's extra-curricular activities was the Stage Band. They participated in a Stage Band Festival in Portland, as well as performed at concerts throughout the entire year.

Girls Are Blackhawks too

Have you forgotten that girls are Blackhawks, too? You may think you haven't. . . but most have! When was the last time you went to a girls sports event? We send people to State, have tournaments, get out there and give all we've got, just like the boys. We, too, joined the Frontier League and have Interscholastic games. So next time remember P&R goes for both sexes.

Cheney High's most distinguished performing group, the Ambassadors, have well earned the title "The Pride of Cheney High School." In addition to their many Spokane performances for various groups at such places as the Ridpath and the Spokane Club, they were very busy singing for area grade schools and rest homes during Christmas.

The Ambassadors were also a very big part of the Die Meistersingers tour as all members of Ambassadors are also members of the choir. Both organizations were presented in concert, so the elite group had a very active 4 days.

Undoubtedly, the 4th Annual "A's for an Evening" was the biggest highlight of the year. Improving and expanding, the groups' usual flair was even more evident, as the event was a great success.

John;
I'll really miss you next
year. You're great and a very
close friend to me. I'll never
forget the way I treated you
like shit at the carnival
and I hate myself for it.
In a way, special way
I thank you for being

I'll be always
Sherry
N.

John, were finally out of this dump. It's all over. It has been really great in CWP giving Kelly a bunch of shit. He was really a dood. You have been a good friend for a long time and after school is out you better stay as close as I hope we are ~~know~~. You have a way with words and whatever you say usually is pretty great. Be bad this summer.

John.

well secret even, even made it. Finally finished.

John, you are absolutely fantastic! You remind me of the good times in Junior High. Sorry, for making the mistake. I made. You know what I mean.

I'm really going to miss you. And all of your great talent of words. I really enjoy talking to you. You are a person I would like to keep in touch with.

Take care of yourself! Be good!! I really hope to see you around. I'll never forget you John.

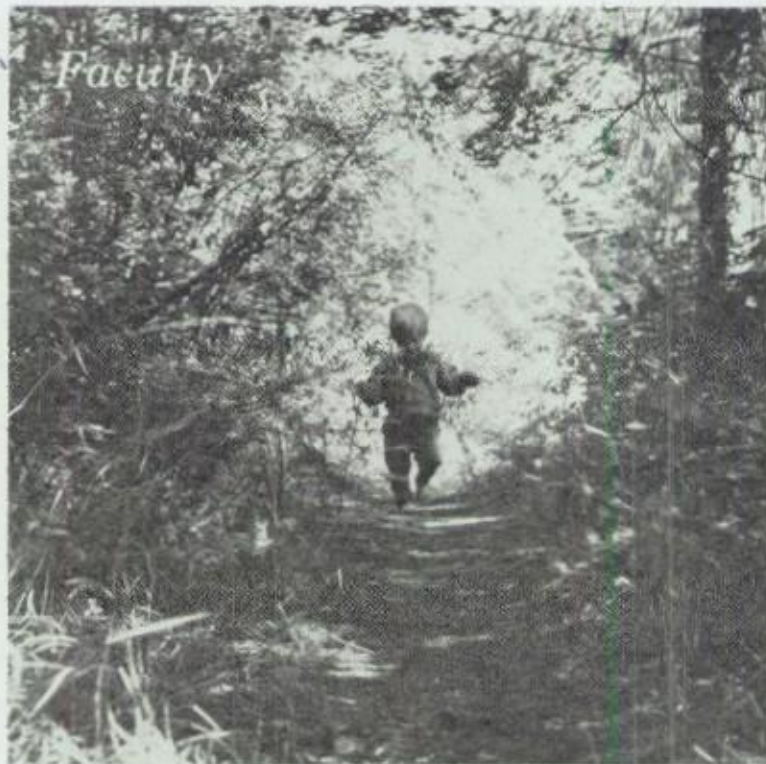

See you around.

Love
Mary Kay

John,
You're a really nice guy and I hope you get to go to Hawaii. You're someone I always like to talk to because you always seem to understand. Thanks for being such a good friend. Let's keep in touch.
Love
Dianne

John,
I didn't realize how much I loved
you until you broke up with me,
and that's a pretty stupid time
to realize it. I tried so hard
to get over you but I never could,
and I'm glad I didn't. I was so
happy when you wanted to get back
with me, I really couldn't believe
it. I hope this time it will
work out. I know it will (I think)
I hope
I'll always love ya!

Remember
20 years
from now!

Love ya lots,
Karen

What Beginnings Mean to Me . . .

A little trickle of water started down the slope of the mountain. The longer it went the larger it became. Within minutes the massive amount of water became a large turbulent stream.

Mr. Kuehl

Miss Wilson

There are many beginnings. The Supreme Beginning of Earth, our first beginning at our Birth. There are more beginnings . . . beginning to walk, to run, to live, to love, to begin a new life. We are always beginning, even in death.

Chance to change, Hopefully to improve. Chance to correct mistakes. Hopefully not to make as many in the future.

Mrs. Crabb

Hopeful yet hesitant . . . Prepared and confident but not knowing for sure what will happen. Happy anticipation of new success.

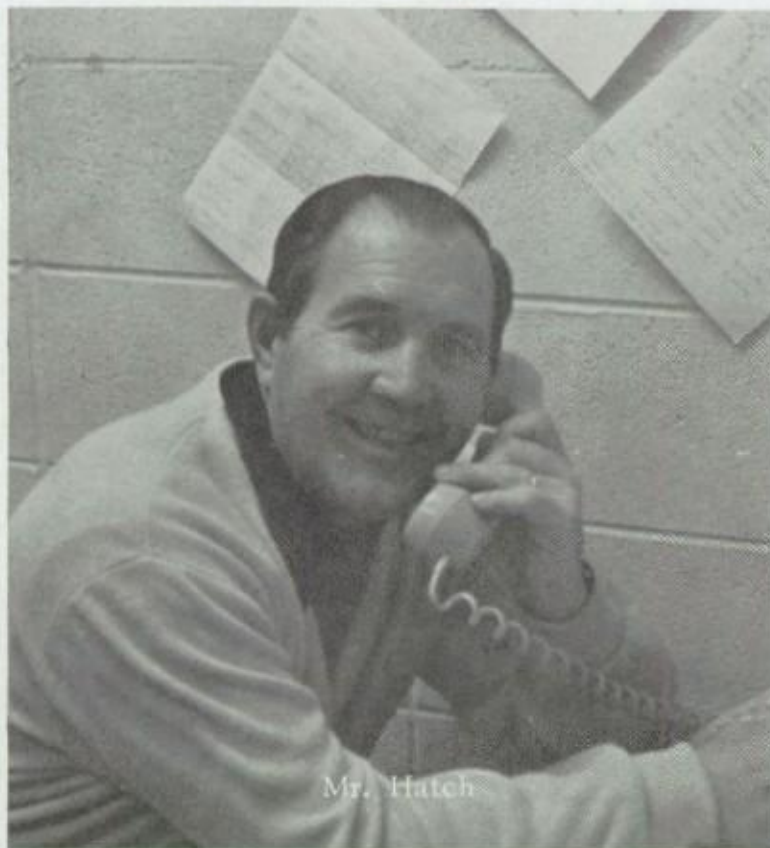

Mr. Crabb

Beginning is knowing where you are going.

Mr. Brown

God bless the
the people having
you around - Come see
us -
Crabb

Mr. Hatch

A brand new spankin' bare baby.

Mr. Rosenzweig

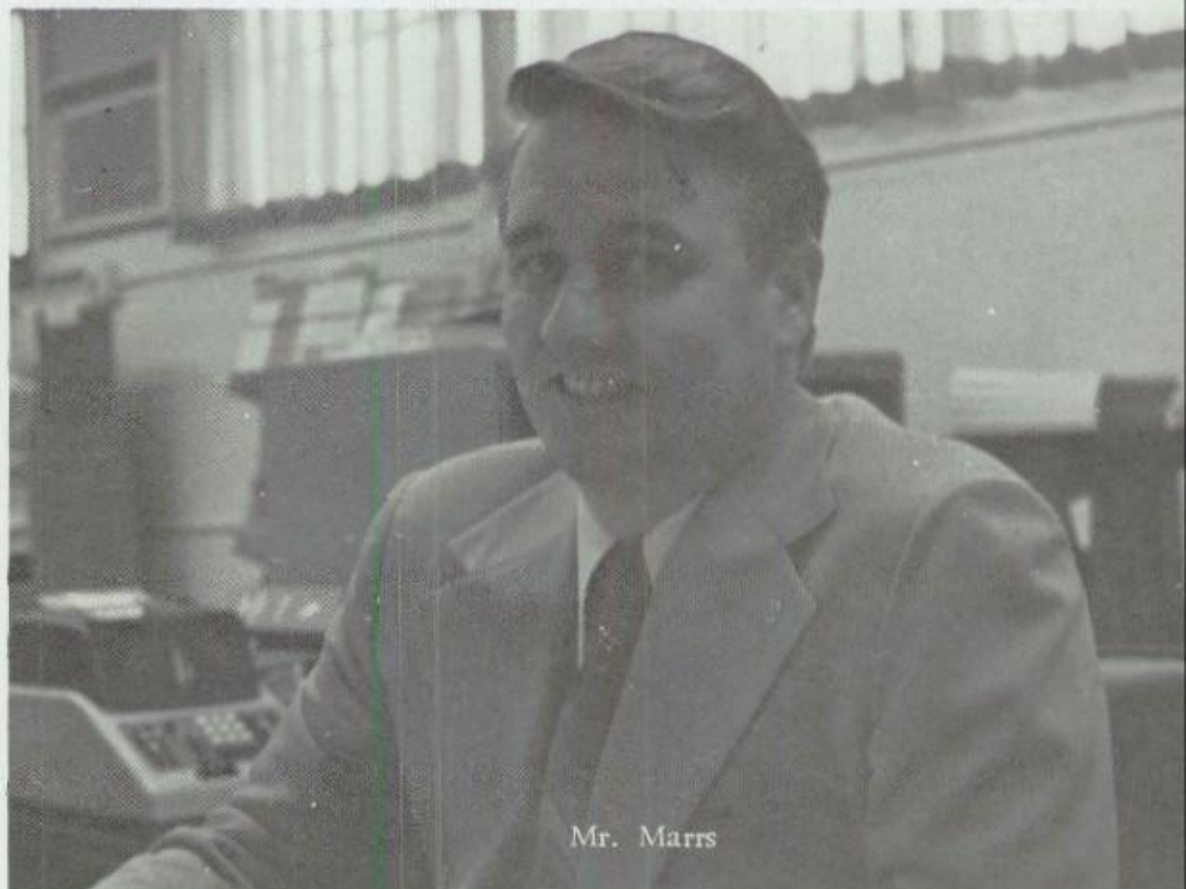

"Beginning" is the looking forward to something you desire very much with the time and ability to carry out your desires. Example: A vacation to do something you have desired to do with the time and funds to do it.

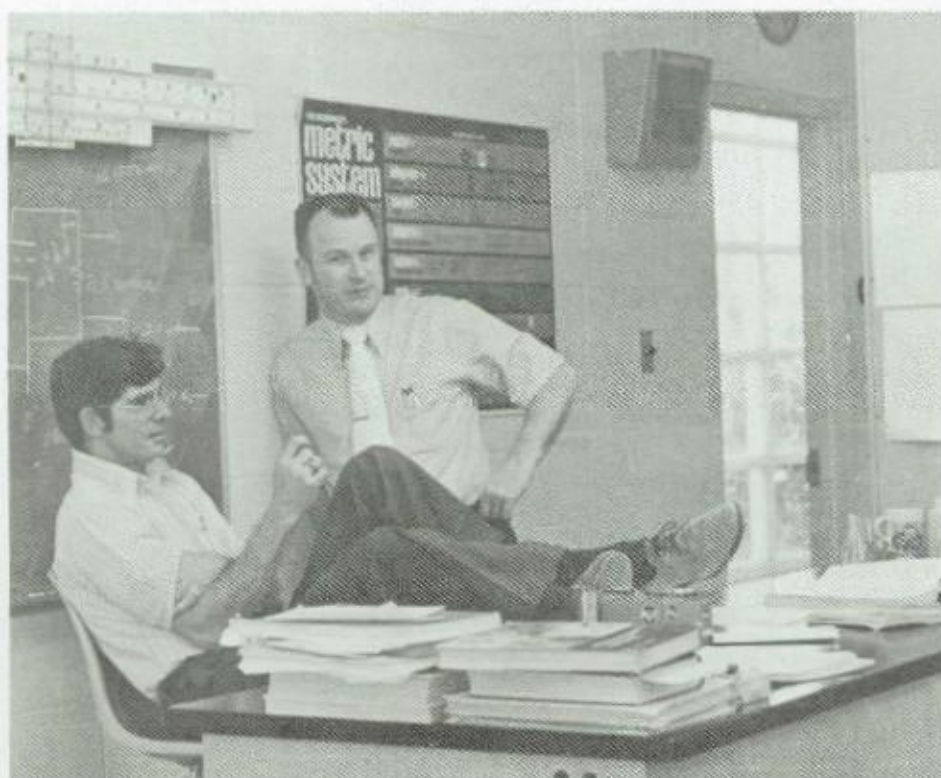

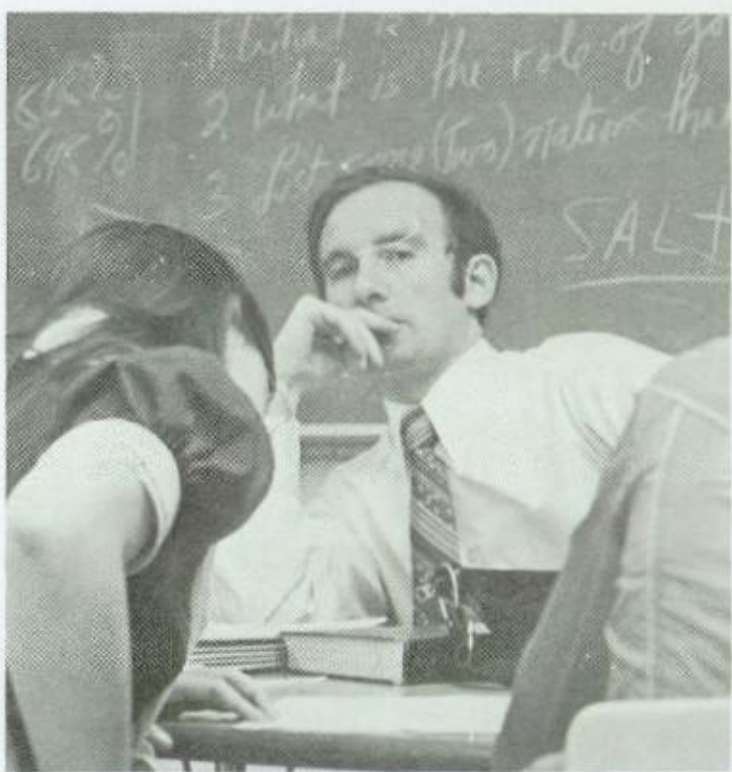

Mrs. Galloway

A "beginning" is something new. New faces, and new experiences, new progress, even some new problems. A forward looking time. A time for good and sometimes a correction of the old.

Every morning a new "beginning" starts for me. People need to remember that they have the opportunity, daily, to begin again in their relationships with people around them, and opportunities for new. "Beginnings" for others as well as for ourselves.
